

Gather your team.  
Grow your idea.

ERICSSON

CREATE ZERO  
HUNGER

## Ericsson Innovation Awards

The future of food

**If you have a groundbreaking idea, you could win €25,000**

How would you use technology to shape the future of food?

It's all part of our support for the UN's Sustainable Development goals of Zero Hunger and Responsible Consumption and

Production. [Click Here](#) for more details

Ericsson is a proud Nobel International Partner, supporting engagement in the pursuit of scientific knowledge.
