

# ENGINEERING STUDENTS INNOVATION CHALLENGE 2017 (ESIC 2017)

To promote and guide the young aspiring engineering students on the innovation opportunity in fields of Engineering and Technology, ISSRD is announcing “ESIC 2017”. It will be a platform for the Engineering students to benchmark their project at various levels and also showcase the innovation opportunities in engineering streams.

ESIC 2017 evaluates and awards students’ academic projects in state level and national level in each stream of Engineering and Technology. To encourage, benchmark, recognize the creative and innovative projects accomplished by engineering students across the nation, ISSRD invites projects in the following streams:

## SELECTION PROCEDURE

Projects will be selected based on the technical soundness, creativity and usefulness. The projects can be prototyped / simulated model or can be an innovative concept. Physical model is not mandatory. Initial screening will be through expert committee comprising individuals from National and International recognitions. Final screening will involve web presentation.

## AWARDS & APPRECIATION

Category	Award
State Level	5 Best projects in each stream
All India	10 Best projects in each stream
Best Supervisor Award	3 in each stream
Best Innovative Campus	3 in each state

## IMPORTANT DATES

5<sup>th</sup> January 2017

Contest Entry and Registration

10<sup>th</sup> January 2017

Announcement of selected projects for Virtual Presentation

28-29 January 2017

Virtual Web Presentation
