

SPECE KIDS INDIA

PRESENTS

MAKE FOR INDIA 2016

Space Kidz India, in collaboration with **Dr. APJ Abdul Kalam International Foundation**, brings forth "Make for India", a competition for all the young budding college students, who feel their talent goes untapped and unnoticed, in the field of research. Students be self-sufficient, manufacture, produce, invent, discover products or technology that can be implemented at economical pricing.

Submission

Send your entries / projects to Space Kidz India through online registration / Post / Courier.
