How to Write a Quality Technical Paper and Where to publish within IEEE Workshop

Indian Institute of Technology, Delhi (IITD) in collaboration with IEEE organized a Workshop at IIT Delhi on 11th August, 2014. Participants who attended this workshop comprised of practitioners from Government and Private industries, faculty members from engineering colleges and students. Ms. Shalini Sharma, Assistant Professor, Department of Information Technology represented Dronacharya Group of Institutions, Greater Noida in this coveted event.

The objective of this workshop was to develop an understanding of how to write a research paper that can be published on IEEE platform and also described about the quality of paper.

The session was inaugurated by Dr. S. Singh, Professor and Dy. Director, IIT Delhi. He welcomed Prof. Sifur Rahman, Editor-in-Chief, IEEE and explained the need of quality research. Nancy Blair, Senior Publishing Relations Manager, IEEE talked about the IEEE membership benefits and also gave tips on how to prepare, write and submit a quality technical papers.

ISTE PTU FDP on Digital Image Processing, Animation and Computer Vision

A five days **ISTE-PTU Sponsored faculty Development Programme on Digital Image Processing, Animation and Computer Vision** was organized at Dronacharya Group of Institutions, Greater Noida during **September 22 to September 26, 2014**.

40 faculties from different engineering colleges participated in this coveted event. The main objective of this faculty development programme was to enhance the quality of education by improving the faculty knowledge and prepares industry ready engineers.

National Seminar on Skill India-Challenges and Solutions

An **Industrial Visit** to “**National Physical Laboratory**” New Delhi was organized on **30th September, 2014** by **Department of Information Technology, Dronacharya Group of Institutions, Greater Noida**. Twenty six students of various branches visited the NPL.

NPL is one of India's leading science and research laboratories. It is one of the world-leading centers of excellence in developing and applying the most accurate standards of length, mass, time, voltage, current, etc. The objective of the OPEN DAY was to expose the students and other visitors to the ongoing scientific work being carried out in NPL.

ISOC Delhi Chapter Meeting

An Indian Society Delhi Chapter Meeting was held on 20th November, 2014 at India Habitat Centre, New Delhi. Around 110 participants from different organizations across India attended this coveted event. Ms. Bhawna Gupta, Assistant Professor, Department Information Technology along with two students Megha Rawat and Deepak Umredkar, IT represented Dronacharya Group of Institutions, Greater Noida in this event.

The program started with a welcome address by Dr. Govind CEO, NIXI. He welcomed the chief guest and all dignitaries and presented bouquets to speakers as a token of gratitude.

Mr. Sunny from NIXI started the session on Internet Resource Management. He explained Internet Resource Management with the help of Aggregation and Portability of routers. He further discussed allocation policies of IPV4 and IPV6.

Awards

Conference on Homeland Security 2014:

Safe and Secure Nation

FICCI, New Delhi

July 24th - 25th, 2014

A Conference was organized at **Federation of Indian Chambers of Commerce and Industry (FICCI), New Delhi** on July 24th and 25th, 2014 on '**Homeland Security 2014: Safe and Secure Nation**'. The theme of the conference was to provide a safe and secure environment and better public services to the people of our country. As a precursor, FICCI had conducted a national contest for students for submission of projects on '**Strengthening the Policing Contest-2014- Safe City Design**'. The first and second prize of this contest was bagged by students of Dronacharya Group of Institutions, Greater Noida. The two winning teams comprised of:

First Prize : D - Virus Way (IT Branch)

1- Rajan Kumar

2-Mithesh Pant

3-Sadaf Noor

Second Prize : The Tech Maniacs (IT Branch)

1-Hemendra Jha

2-Praveen Singh

3-Naveen

IEEEExtreme Programming Contest 8.0

IEEEExtreme Programming Contest 8.0

Team DVirusWay: Rajan Kumar from IT VII and Bhawna Madan from CSE V bagged IIIrd University Rank.

Team DragonChallengers: Juhi Malhotra from IT V and Netra Raina from IT V bagged Ist University Rank.

Best College Award

IMRB Microsoft Internship

It was another nostalgic moment for the entire Dronacharya family on **27th September, 2014**. It was time to relive the moment when '**Team Dronacharya**' of **Dronacharya Group of Institutions, Greater Noida** comprising of ten students had won the coveted **IMRB Microsoft internship on 5th August, 2014** and the '**Best College Award**'.

The cheque distribution ceremony to reward all the ten students was organized at **Dronacharya Group of Institutions, Greater Noida** on **27th September, 2014** in the presence of **Dr M.S Murali, Director, DGI Greater Noida, Prof BL Kaul, Registrar, DGI Gr Noida, Prof Ashwani Kumar, Academic Administrator, DGI Greater Noida, Prof TPN Singh, Advisor R&D, Prof Sachin Gupta, HOD (CSE), Prof DV Bhise, HOD (ME), Prof Vinod Kumar, HOD (ECE), Prof Abhishek Swami, HOD (APS) and Prof Divyanshu Sinha, HOD (IT)**.

Microsoft Student Partner Awards

Microsoft Student Partner Awards

Three Students from IT Department have been selected as Microsoft Student Partner:

- (i) Vaibhav Kansal IT-V
- (ii) Jaskaran Singh CSIT-III
- (iii) Megha Rawat IT-III

IEEE MadC Ambassador Awards

**Juhi Malhotra From IT-V
Semester has been selected as
IEEE MadC Ambassador**
