

Department of Electrical and Electronics Engineering

Papers Presented by the Faculty (National)

Sr. No.	Name of Faculty	Title of Paper	Conference Details
1.	Anoop Mishra	Adaptive Cruise Control in Real-Time Data Services for Automotive Applications	November,2015
2.		“A Review of Power Electronic Technologies in Hybrid Energy Systems”	February, 2015
3.	Sunil Kumar	Adaptive Control Techniques for Networked Control	Sunil Kumar
4.	Rajiv Ranjan	Electrical Power Quality	FDP, DGI Gr. Noida on 25/07/2013.
5.		Energy System Management in Deregulated Electricity Market	FDP, DGI Gr. Noida, 26/07/2012
6.		Power Quality Monitoring Using Wavelet Transform	IEEE Sponsored National Conference on “Recent Advances in Electrical Power and Energy System Management (RAEPESM-2011)”, 25-26 March 2011 MMMEC Gorakhpur.
7.		An overview of ECG Signal Analysis & Processing	ORDA (Ongoing Research & Development Activities), IEC CET, Gr. Noida on 16/12/2010.

8.		Overview of key issues in Electric Utilities Restructuring	AICTE Sponsored National Seminar on “Power for all by 2012: Issues and Challenges” during February 07-08, 2009 at IEC College of Engineering and Technology, Greater Noida.
9.		Energy Management: Issues & Challenges	Workshop on Energy System Management, Skyline IET, Gr. Noida on 21/02/2009.
10.	Anoop Mishra	“A Review of Power Electronic Technologies in Hybrid Energy Systems”	Proceedings of National Conference on Emerging Trends in Electrical and Electronics Engineering (ETEEE-2015) at Jamia Millia Islamia collage Delhi
11.		“A Review of Power Electronic Technologies in Renewable Energy Systems”	Proceedings of National Conference on Recent Innovation in Electronics & communication Engineering (RIECE 2K14) at NIET Gr. Noida.
12.	Sunil Kumar	Stability analysis of T-S Fuzzy Control System Using Bode plot	WNES- YMCA UST-2012
13.	Mr. Sumit	Multi Step Ahead Forecasting of Wind Power by Different Neural Networks	National Conference at MMU Mullana, Ambala, December 2013
